

Wednesday 5 January 2022

Dear residents,

Happy New Year from South Bank Corporation. Please see below this week's updates.

NPAV update

December 2020

December 2021

2021 has been a huge year of progress for the New Performing Arts Venue (NPAV) project. In December 2020, Lendlease completed the enabling and earth works components, and now a year later the new theatre is starting to take shape following two large concrete pours to form the first concrete slabs of the new theatre auditorium.

2022 works

Lendlease will continue to progress the theatre structure during 2022, including concrete, structural steel and precast elements, in addition to services, façade and theatre fit-out commencing.

If you have any questions or would like more information, please contact the New Performing Arts Venue project team on 1800 560 559 (toll free) or email the Lendlease project team directly at

NPAVqld@Lendlease.com

South Bank platform 1 upgrade

Queensland Rail is undertaking additional night works in January at South Bank station.

Platform works to support the platform 1 upgrade, will be carried out from 6pm to 6am each night on:

- **Wednesday 5 to Friday 7 January** (over three nights)
- **Monday 10 to Friday 14 January** (over five nights).

For more information, please contact Queensland Rail's Community Engagement team on **13 16 17** or email communityengagement@qr.com.au.

An associated single lane closure will be in place on Tribune Street, South Brisbane. Please refer to the table below for details.

SBC Road Closure Notification QLD Rail Works (Tribune Street)

Road	From	To	Closure Details
