Upcoming out of hours work – Neville Bonner Bridge

We have been advised nightworks will occur on Sunday 17 October and Monday 18 October from 8pm, weather permitting. During this time, there will be increased truck movements through the construction zone. For more information email QWBenquiries@destinationbrisbane.com.au.

Brisbane City Council advised there will be a water meter installation at the new ferry terminal on Thursday 14 October from between 7am and 11am. There will be limited access to the area and traffic control will be in place; minimal noise is expected.
